

Lighting the Way for Next Era of Education

Tom March.com

Daramalan College Agenda - 3 July 2014

9 – 11AM *Session 1 - Vision Clarification*

What are the challenges of the “job” for Daramalan educators?

How has the challenge of schooling changed (and what does this imply)?

What does the “boss” say our job is?

What is Daramalan’s Job (clarified)?

Concurrent: How can we use rich resources to powerful ends?

Morning Tea

11:30 – 1PM *Session 2 – The Nature of “Understanding”*

Which aspects of our “Job” require more than Knowledge and Skills?

What is “Understanding?”

How can we achieve “understanding” as a student outcome?

What about covering the Australia Curriculum?

Debrief:

Look to Learn - What is it good for?

Overview of Understanding by Design (& its relationship to other initiatives)

Radar charting a way forward

Lunch

Consensus on Path forward based on morning’s Understandings

1:45 – 2:45 *Session 3 – Solving ICT & BYOD the “Edge-ucators’ Way”*

- The challenge
- The Research
- The “Edge-ucators Way”

2:45- 3:30 *Session 4 – Daramalan’s Path Forward*

What Role will you play in the “Next Era of Education?”
